* **No money traced to Industrial Integrity Solutions (Previti's marijuana (cannabis) company).**

🏠 Michael's campaigns reported raising \$167,763 (2016–2026; no new contributions reported 2023–2026). \$5,000 of it came from James L. Previti, one of his companies (such as FH II, his homebuilding company), or political groups that had reported receiving money from them. Those groups also reported spending \$169 on their own supporting him.

How to read these figures. “Given” means a campaign contribution reported by the candidate's campaign. “Spent” means a group paid for its own mailers or ads supporting the candidate. “Previti-linked” means the money came from James L. Previti, one of his companies, or a political group that had reported receiving money from them.

* No contributions to him were traced to Industrial Integrity Solutions, Previti's marijuana (cannabis) company; none of the committees Industrial Integrity Solutions reported giving to appear among his listed donors.

\$5,000 given to campaigns by Previti, his companies, or groups that reported receiving their money

\$169.48 spent separately by those groups (mailers, ads)

\$5,169.48 total Previti-linked

Share of campaign money

Previti-linked: **\$5,000 (3.0%)** of \$167,763 reported raised. Group spending is not in this bar.

Where the Previti-linked contributions came from

Each bar is a Previti company, Previti himself, or a group that had reported receiving Previti money. The small line under each name says what it is.

🏠 FH II, LLC (Previti's homebuilding company) (direct) — \$5,000

* **Leaf, green bar, or *:** paid by a group after it, or a group that funded it, reported receiving money from Industrial Integrity Solutions (Previti's marijuana (cannabis) company). This marks timing only; the amounts are not traceable Industrial Integrity Solutions dollars.

The marijuana (cannabis) company link

* No contributions to Michael were traced to Industrial Integrity Solutions, Previti's marijuana (cannabis) company, described in a 2019 Pasadena cannabis permit application as managing a family of licensed cannabis businesses [[S-020](#)].

What these figures can and can't show. Committee funds are pooled, and filings do not show which dollars were passed on. The exact amount of marijuana money that reached any candidate can't be determined. The groups named here also had many other givers, who are not tied to Previti by being listed.

The Records Raise Questions

- * 1. Previti's companies include a marijuana (cannabis) business, Industrial Integrity Solutions. That money now reaches Rancho Cucamonga's elected officials. Worth asking: is this the money residents want funding the people who run their city?
