What this does and doesn't mean

- Each committee also had other givers; they are not tied to Previti by being listed here.
- IE Citizens LLC's gifts may overlap with the \$225,000 he was listed as putting in. Filings do not say which dollars were used.
- Previti's major-donor reports (FPPC filer ID 1404572, "James L. Previti Including Aggregated Contributions") list many of the same gifts.

Where money from Previti and his companies went, by company

Green with leaf = reported as given by Industrial Integrity Solutions (IIS), one of Previti's companies.

SB County Public Safety PAC (\$50,000) was funded by both IE Citizens LLC and Previti; it is grouped with IE Citizens above. Figures are what the receiving committees reported. Committee funds are pooled; filings do not show which dollars were passed on. The five Rancho Cucamonga officials' pages show which of these committees later gave to them.

- Dotted gray line = tie through another entity, not a personal role (e.g., gifts made by FH II, a license email at the IIS domain).
- Gray box = no Previti role found in the records reviewed; shown for completeness.
- Political dollar figures are totals itemized in reviewed filings for the named givers; they are not his personal giving unless he is named. Marijuana business ownership shown is as of each record's date, not necessarily today.
